On 2/17/54, [REDACTED] advised the writer that on Friday, 2/19/54, the LYL would hold a Jamboree at Hunts Point Palace, 953 Southern Blvd., Bronx, N.Y. [REDACTED] adjacent to Memo of writer dated 2/24/54, filed in [REDACTED] the pamphlet, "Speak UP", on page 6 has a replica of the ticket used for the dance. On 2/22/54, [REDACTED] advised the writer that he attended the Jamboree on 2/19/54. He stated he observed the following persons at the affair: b7D

[REDACTED] b7D

Informant further advised that more than 3,000 were in attendance. He stated that there were delegates present from all parts of the U.S. and a delegate from Puerto Rico.

[redacted] advised that the first part of the affair consisted of a meeting at which PAUL ROBESON gave a speech on fighting for rights and making for a Democratic country. ROBESON also mentioned the ROSENBERG children during his speech. PAUL ROBESON then sang a few songs, one of which he dedicated to the late EMANUEL BLOCK and the ROSENBERG children.

According to the informant, PETTIS PERRY, one of the 13 second string CP leaders convicted of violation of the Smith Act, gave the main speech in which he talked about "the fight we Communists have before us," gangsters, FBI, McCarthy and McCarren. Informant advised that the Chairman, name unknown to informant, introduced PERRY as an official of the CP.

Informant said there was much cheering, whistling, and a rousing ovation for PAUL ROBESON and PETTIS PERRY.

The chairman mentioned that there was a Puerto Rican delegate present, and at the same time she announced that the LYL is going to fight to make Puerto Rico an independent country.

At this meeting it was announced that the LYL wanted the room packed when the guardianship hearing on the ROSENBERG boys was held on 2/20/54 at New York City.

There was entertainment at the meeting which consisted of a guitar player, described by the informant as a tall, thin Negro. Informant stated that he sang a song which was a cowboy tune and pertained to the government, FBI and the atomic bomb. This song, the informant said, drew much laughter. The LYL song, "World Youth Song" was also sung at this affair.

In addition to the solos by the above guitar player, he participated in a guitar quartet. While the singing was in progress, a collection was made wherein one dollar or more was requested. Informant advised that he observed most of those in his line of vision donate in excess of one dollar. These contributions were supposedly in return for a booklet which was issued. This 48-page booklet is entitled, "We Accuse McCarthyism", and is published by the Labor Youth League. This booklet apparently sets forth the defense as offered by the LYL before the Subversive Activities Control Board in Washington, D.C. This booklet will be maintained in [redacted]

Informant advised that at approximately 11:00 pm the hall was cleared of the chairs and dancing followed.

At this meeting [redacted] obtained the following material in addition to the above booklet: b7D

1. An announcement of a mass public rally on the "Guatemala Crisis" at Manhattan Plaza, 66 East 4th St., New York City on Friday, 2/12/54, 8:00 pm. Admission \$.75. Sponsored by Provisional County on Latin American Affairs.

2. Announcement of Jefferson School's Third Annual Freedom Frolic in celebration of Negro History Week on Saturday 2/20/54. These will be filed in [redacted] b7D

Bureau of Prisons

Law and custom have established Alcatraz as a prison for criminals who, by the number and violence of their crimes, their attempts at escape, by attacks on prison guards, must be kept in extreme isolation.

Morton Sobell, a scientist charged with conspiracy to commit espionage and sentenced to thirty years, has been in Alcatraz since Thanksgiving Day, 1952.

Mr. Sobell does not fit into any of the categories of prisoners kept at Alcatraz. He has never been charged with any previous crime.

We believe that imprisonment of Morton Sobell at Alcatraz is an unusual and unprecedented punishment.

We therefore respectfully petition that Morton Sobell be transferred to a regular federal institution.

May 6, 1954

Senator William Langer, Chairman  
Senate Judiciary Committee  
Senate Office Building  
Washington, D. C.

Honorable Sir:

On December 4, 1953 we petitioned your Committee to investigate the Attorney General Office's conduct of the Rosenberg-Sobell case. We set forth a Bill of Particulars, documenting our belief that the Attorney General's Office had knowingly committed serious offenses against the rights of Ethel and Julius Rosenberg and Morton Sobell, and had, in fact, suppressed every attempt by the Rosenbergs and Sobell to prove their innocence.

On May 5 and 6, 1954, at the McCarthy-Army hearings, it became clear that the Army had been given information pertaining to an alleged "espionage ring" involving the Rosenbergs, Sobell and others at Fort Monmouth; that the Army had investigated this information and that this investigation showed the information to be lacking in fact and substance. It was on this same questionable "information" that the Rosenbergs were indicted, convicted and electrocuted, and upon which Morton Sobell, now in Alcatraz, was sentenced to thirty years in prison.

These hearings have also disclosed that personnel now on Senator McCarthy's staff, formerly on the prosecution staff in the Rosenberg-Sobell case, attempted to intimidate the Army into disregarding its findings in the case. Had the Army yielded to this pressure in this instance, it would have had to adopt the unAmerican and unworthy tactics of the Attorney General's Office in the Rosenberg-Sobell case.

In the light of these new indications of the innocence of the Rosenbergs and Sobell, and in the interests of justice, we urge that your Committee undertake this most necessary investigation of the Attorney General's behavior in the Rosenberg-Sobell case.

Sincerely,

COMMITTEE TO SECURE JUSTICE  
FOR MORTON SOBELL IN THE  
ROSENBERG CASE

MEMORIAL PERIOD TO MARK  
EXECUTION OF ROSENBERGS

FOR IMMEDIATE RELEASE

Removal of Morton Sobell From Alcatraz

And New Sobell Trial to be Stressed

NEW YORK, May 4--A six-week Memorial period marking the first anniversary of the execution of Ethel and Julius Rosenberg has been proclaimed by the Committee to Secure Justice for Morton Sobell in the Rosenberg Case.

During this period, extending from May 10th through June 20th committees throughout the United States will hold Memorial meetings and intensify efforts to win a new trial for Morton Sobell.

It was on June 19, 1953, that Ethel and Julius Rosenberg were executed despite their pleas of innocence and appeals for clemency from throughout the world.

Morton Sobell, the third defendant in the case, has been sent to Alcatraz by the U. S. Attorney General's Office to serve a 30-year sentence.

Demands are being made that Sobell be given a new trial, and that he be removed from Alcatraz on the grounds that his being sent to the prison for hardened criminals was a cruel and unusual punishment.

The Rosenberg-Sobell Committee has charged that Alcatraz, known as America's Devil's Island is being used to force a false confession from Morton Sobell, just as the electric chair was used in an attempt to force a false confession from Ethel and Julius Rosenberg.

During the memorial period, representatives of Rosenberg-Sobell committees will visit community leaders, clergymen, trade union leaders, professional persons and others who will be asked to sign petitions asking Morton Sobell's removal from Alcatraz.

Rosenberg Memorial Certificates will be given to those who contribute toward the cost of the legal defense and public campaign for Morton Sobell.

The National Committee to Secure Justice for Morton Sobell

in the Rosenberg Case said it had learned that Rosenberg-Sobell committees throughout the world are also planning memorial activities.

MR. HEMSTREET advised that he had received the literature through the mail.

On January 21, 1953, MR. ROBERT L. STIDDEL, an attorney with offices at 1804 Liberty Bank Building, Buffalo, New York, forwarded to the Buffalo Office two envelopes postmarked January 20, 1953, at Buffalo, New York. FOR IMMEDIATE RELEASE

NOTED SOCIAL WORKER

URGES ROSENBERG CHILDREN

REMAIN WITH GRANDMOTHER

Jessie F. Binford Appeals to Surrogate

NEW YORK, March 31--Jessie F. Binford, of Hull House in Chicago, one of the nation's leading social workers, has appealed to Surrogate William T. Collins to allow Michael and Robbie Rosenberg to remain with their grandmother, Mrs. Sophie Rosenberg.

The National Committee to Secure Justice for Morton Sobell in the Rosenberg Case learned today that she had sent the following letter to Judge Collins:

"Dear Judge Collins:

"I am not a resident of New York City but I feel privileged to write to you because we are all concerned about these children.

"I lived and worked with Jane Addams at Hull House for many years and all my life and work have been influenced by her great understanding of the needs and rights of all children, wherever they are or wherever they may live. During many years as the Executive Director of the Juvenile Protective Association of Chicago, I had an opportunity to know the basic needs of children and the deep shadows cast in their lives when one fails to recognize these needs.

"When the parents of the Rosenberg children died and they had requested that Emanuel Bloch act as their guardian, I am sure they realized that their children would not only have to face the future alone, but in a world in which people would never forget the trial and death of their parents. I understand that no one questioned the guardianship of Mr. Bloch or the plans made until shortly after his death.

"The way in which they were then suddenly taken away from a home in which they had found happiness and parental affection and adjustment at school was a tragic experience for these children, the effect of which no one can evaluate.

"I sincerely believe that they now need to be placed within their own family relationships and traditions, with the security of affection which only their paternal grandmother, Sophie Rosenberg can give them.

"Surely the procedure used by the Welfare Department and the Jewish Agency disqualifies them for guardianship, as they violated all the humane understanding and professional standards in child welfare which we have developed for American children.

"Never have all children been so affected, as today, by all the great problems of the world, but few indeed face what these children do. After all, they are just children, and do many of us hope that you will make it possible for them to have a home in which they can feel they belong and are wanted and loved."

FOR IMMEDIATE RELEASE

MEMORIAL MEETING TO MARK YEAR

SINCE ROSENBERG EXECUTION

TO URGE JUSTICE FOR MORTON SOBELL

NEW YORK, May 14--The first anniversary of the execution of Ethel and Julius Rosenberg will be marked in New York by a public memorial meeting, the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case announced today.

The meeting will be held on Thursday, June 17, 8 p.m. at the Chateau Gardens, 105 East Houston Street (at Second Avenue) New York.

With the slogan "Remember The Rosenbergs--Justice For Morton Sobell", the meeting will urge that Sobell, the third defendant in the Rosenberg Case, be removed from Alcatraz and be given a new trial. Sobell is under sentence of thirty years.

Similar gatherings are being held throughout the United States, including such cities as Los Angeles, Chicago, Detroit, San Francisco, and Baltimore.

It was on June 19, 1953, that Ethel and Julius Rosenberg went to their death at Sing-Sing maintaining their innocence. The execution was carried out in the face of world-wide protests.

Since the execution, a campaign for justice for Morton Sobell has been underway. Petitions are being circulated demanding Sobell's removal from Alcatraz and new legal steps are being prepared.

A request for the Senate Judiciary Committee to investigate the conduct of the U. S. Attorney General's Office in the Rosenberg-Sobell case is pending.

Tickets for the Memorial Meeting, at \$1 each (tax incl.) are available at the National Committee To Secure Justice For Morton Sobell In The Rosenberg Case, 1050 Sixth Avenue, New York City, LO 4-9585.

A Statement From

The National Committee to Secure Justice for Morton Sobell in the Rosenberg Case

This Committee has consistently warned that the execution of the Rosenbergs and the imprisonment of Morton Sobell endangered our country. We have said that the Rosenbergs and Sobell were convicted on hysteria, not on evidence, and that if this could happen to them, no American was safe.

Now comes the case of J. Robert Oppenheimer. The man who built the atomic bomb that the Rosenbergs were accused of giving to the Russians is now labeled a security risk.

The Oppenheimer Case is the outgrowth of the kind of hysteria which sent the Rosenbergs to the electric chair and Morton Sobell to Alcatraz.

What has happened since the Rosenbergs' execution on June 19, 1953?

Senator McCarthy attempted to use the Rosenberg-Sobell Case against scientists at Fort Monmouth. Claiming he had evidence of "spy rings", he attempted to implicate persons for knowing the Rosenbergs and Morton Sobell.

No less a figure than former President Harry S. Truman was subjected to the "spy" hysteria when he was accused by Attorney General Herbert Brownell of helping an alleged espionage agent. Congressman Claire Hoffman of Michigan suggested that Truman might deserve the Rosenberg treatment.

The irony of the entire situation is that leading scientists now admit freely that there never was any such thing as a "secret" to the atomic bomb. The New York Times reported on March 17th that Dr. James Beckerly, director of the Atomic Energy Commission's Classification Office, said that the Soviet Union did not get its atom and hydrogen bombs through espionage.

It is almost a year since Ethel and Julius Rosenberg were executed. Is our country more secure because of it? To the contrary, the case has fanned a hysteria under which no man is safe-- whether he be a young scientist like Morton Sobell, an engineer at Fort Monmouth, a former president of the United States, or the man who built the atomic bomb. The fact that thousands throughout the United States are speaking out against this hysteria indicates that this danger can be halted.

One of the greatest services that could be done for the cause of American justice and American security is to get the entire truth in the Rosenberg-Sobell case. The Supreme Court has never reviewed the facts in this case. Millions have challenged the conviction of the Rosenbergs and Sobell.

The Attorney General's Office has shown by its determined opposition to a new trial for Morton Sobell that it fears examination of this case. Attorney General Brownell, the man who questioned the loyalty of Mr. Truman, has answered Morton Sobell's request for a new trial by keeping Sobell in Alcatraz. This is plainly a vindictive act since Alcatraz is reserved exclusively for incorrigible criminals.

The Attorney General may well have reason to fear a new trial, but the American people can only benefit by it. If Morton Sobell is found innocent, then our country will be able to prevent other innocent persons from being persecuted.

This Committee urges such a trial at the earliest possible moment.

We also urge that Morton Sobell be transferred immediately from Alcatraz.

We ask the Judiciary of the United States Senate to investigate the conduct of the Attorney General's Office in the Rosenberg-Sobell case.

We call upon all Americans to support these three steps to see that justice, truth and liberty prevail in our land.

## I. SCOPE AND GENERAL ACTIVITIES

### A. ORIGIN

No additional information developed.

### B. OFFICE

There is no known office in Minneapolis, Minnesota, for the above captioned organization.

### C. OFFICERS

T-1 on October 22, 1953, advised that HAROLD HESTER, 3625 West 102nd Street, Minneapolis, Minneapolis Committee for Rosenberg-Sobell, [REDACTED] for the National Conference on the Rosenberg-Sobell Case held October 10 and 11, 1953, at the Fine Arts Building, 410 South Michigan Avenue, Chicago, Illinois. b7d

T-2 and T-3 also identified Reverend HAROLD HESTER of Minneapolis as an official delegate to this conference.

T-4 also identified Reverend HESTER, Minneapolis, as a delegate to this conference.

T-5, on January 22, 1954, advised that he learned [REDACTED] EMMA is very active in the Twin City area on behalf of the ROSENBERG children. Informant stated that EMMA STERN originally came from New York and is a very close friend of EMANUEL BLOCK, the attorney for the ROSENBERGS. Informant could not state whether or not EMMA STERN held any official position in the local committee. 070

The "Daily Worker" issue of January 29, 1954, carried an article captioned, "UREY, Many other Notables signed Brief for SOBELL." This article listed numerous individuals termed as "prominent Americans" who joined in a "friends of the court" brief submitted this afternoon to the Supreme Court on behalf of a new trial for MORTON SOBELL. Among those listed was Dr. IRVING E. PUTNAM, Minneapolis clergyman.

MP #100-8894

There is no information developed to indicate that there are any official officers of the Minneapolis Committee presently active in Minneapolis.

#### D. CLOSED MEETINGS AND GENERAL ACTIVITY OF THE COMMITTEE

No information developed during this investigation to reflect any closed meetings being held in Minneapolis during the past six months on behalf of the Minneapolis Committee.

#### E. PUBLIC MEETINGS

The "Minneapolis Sunday Tribune" issue of November 22, 1953, in a brief article captioned, "ROSENBERGS' Lawyer to Speak Here Monday," stated that EMANUEL H. BLOCK was the attorney for ETHEL and JULIUS ROSENBERG, executed in June as spies, and will speak at a public meeting Monday, November 23, 1953, at the Andrews Hotel, Minneapolis. The subject will be the problems concerning the two ROSENBERG children.

T-6, T-7, T-8, T-9 and T-10 all advised that on November 23, 1953, an open meeting was held at the Andrews Hotel, Minneapolis, Minnesota, at which EMANUEL BLOCK, chief counsel in defense of the ROSENBERGS, spoke in support of a fund for the ROSENBERG children. Informants advised that approximately 80 persons attended this meeting. BLOCK began his speech by stating that upon his arrival in Minneapolis he was met at the local airport by radio and television reporters, and that he told them he was in Minneapolis for the simple purpose of attempting to raise funds for a trust fund for ROBERT and MICHAEL ROSENBERG. Informants stated that during the course of his talk, BLOCK stated that he had not come to Minneapolis to whip up hysteria and that he had no message of hate, but did comment that he believed that "soon there will a distinct change in the political prospective of this country, and ultimately an end to McCarthyism." BLOCK did not discuss the trial, but remarked, "The political import of this case will remain for a long time. However, we bury our dead and march on." The main body of this speech dealt primarily with the status of the ROSENBERG children since the arrest of their parents and the difficulties they have had to face in school and among friends, etc. In his closing remarks, he stated that "Two innocent children are being victimized; therefore, I do not feel at all abashed in asking the audience to add their bit to implementation of a trust fund for the ROSENBERG children." According to the informant, BLOCK stated that when he left New York City,

MP #100-8894

the trust fund stood at \$25,000 in donations, \$7,000 from the sale of books, that he had collected \$3,000 in Chicago, and he hoped the fund would reach \$75,000 soon.

[REDACTED]

870

The "Minneapolis Morning Tribune" of November 24, 1953, also carried an article which reflected that EMANUEL BLOCK, guardian for the ROSENBERG children, made a plea for funds to rear the ROSENBERG children, MICHAEL and ROBERT. This article reflected that about 85 people attended, who donated approximately \$550 toward the trust fund.

#### F. FINANCES

Information furnished by T-12 during July of 1953, which is made available on a confidential basis and should not be made public except in a usual proceeding following the issuance of a subpoena duces tecum, reflected that contributions were made to the National Committee to Secure Justice in the Rosenberg Case by EMMA R. STERN in the amount of \$5 and by Dr. IRVING PUTNAM, treasurer, \$20.

This informant advised that on October 30, 1953, EMMA STERN had also contributed \$54.50 to the National Committee to Secure Justice in the Rosenberg Case.

As previously reported, the "Minneapolis Morning Tribune" of November 24, 1953, reflected that \$550 had been contributed to EMANUEL BLOCK at a meeting sponsored by the Minneapolis Committee on November 23, 1953.

Information furnished by T-5 on February 4, 1954, reflected that the informant had learned that EMMA STERN has stated she is still collecting money on behalf of the ROSENBERG children, and that she has attended several meetings in this respect in New York City.

MP #100-8894

According to information furnished by T-3 concerning the National Conference of the Rosenberg-Sobell Committee held October 10 and 11, 1953, at Chicago, Illinois, it was agreed at the Midwest caucus that the Midwest region would make pledges totaling \$5,800 to the national office of this committee. Of this amount \$500 was pledged by Minneapolis.

According to information previously furnished in 1952 and 1953 by T-11, Dr. IRVING E. PUTNAM was treasurer of the Minneapolis Committee.

The following information made available by T-13 on a confidential basis should not be made public except in a usual proceeding following the issuance of a subpoena duces tecum.

This informant advised that a checking account in the name of Dr. IRVING E. PUTNAM and Mrs. ICASE CARR PUTNAM, care of Mrs. EVA LAKE, 2020 Nicollet Avenue, Minneapolis 4, Minnesota, was maintained at the Marquette National Bank, Minneapolis, Minnesota. An examination of this account reflected that on November 23, 1953, Dr. PUTNAM contributed \$10 to the "Rosenberg Children's Trust Fund," endorsed by the payee and EMANUEL H. BLOCK, trustee, through the Chase National Bank of New York City. There were no other large disbursements to the Rosenberg Committee through this account during November of 1953. The above information was furnished by T-13 on November 30, 1953.

An examination of PUTNAM's account for the months of December, January, February, March and April as furnished by T-13 did not reflect that Dr. PUTNAM had made any payments through this account to the national office of the Committee to Secure Justice in the Rosenberg Case or to the Rosenberg-Sobell Committee.

## G. PUBLICATIONS

### 1. National Publications

No publications of the National Committee to Secure Justice in the Rosenberg Case have been furnished this division by informants.

### 2. Local Publications

T-11 on December 10, 1953, furnished a mimeographed announcement of a reception to be held in honor of EMANUEL BLOCK at the Andrews Hotel November 23, 1953. This announcement was unsigned and was

MP #100-8894

accompanied by a mimeographed sheet, also unsigned, which announced the November 23rd meeting and stated that Mr. BLOCK would present the children's story and a plan whereby all people can join in their protection and future, and stated he is faithfully carrying out his responsibilities in this guardianship of the ROSENBERG children with the same diligence and ability with which he handled the ROSENBERG case. This letter also stated that the two children have endured much suffering as children are seldom called upon to face. Wherever they turned they get glaring publicity of the hostility of the current "spy hysteria." It set forth a statement made by Dr. MALCOM SHARP, Professor of Law at the University of Chicago, who is chairman of the board of trustees of the Rosenberg Children's Trust Fund, as follows:

"The situation of the Rosenberg children must appeal to all of us. They are orphans and they have been orphaned by an event which must cause children almost incomparable shock. Their plight will mean different things to different people. For some it will add to the strong case against capital punishment under any condition. For those who think the conviction unwarranted by the evidence or for those who go further and think the Rosenbergs innocent, the appeal will be especially strong. These children are, in this view, victims of the misuse of the community's force and have therefore a special claim on the community."

T-14 also furnished copies of the above literature.

Dear Friend:

The Rosenbergs were ordinary people like ourselves. They gave their lives that others might have courage to live.

On Sunday, June 20, we will unveil the stones over the Rosenberg graves. But the living memorial to establish the truth... to free Morton Sobell from Alcatraz... that is your responsibility.

You may have done little or much in these past months. Right now we need more.

What can you do?

New York Rosenberg Memorial Meeting, Thursday, June 17 -- a meeting whose theme will be REMEMBER THE ROSENBERGS! -- JUSTICE FOR MORTON SOBELL! Thousands will come if you help to bring them. Tell your friends. Get tickets through our office or your local committee.

Dinner in honor of the "Rosenberg People". Friday, June 11 -- We want to honor the men and women who, as part of their contribution to the fight for justice have contributed or raised \$100 through the Rosenberg Memorial Certificates. These certificates make possible the work that must be done if we are to fulfill the plea of the Rosenbergs: "Never let them change the truth of our innocence..."

Surely you know one other person besides yourself who should take a memorial Book of Certificates. Surely you know five... ten or twenty people who will give to help make this memorial period meaningful. We want to place a message in a major New York newspaper during this period. We must finance new legal moves on behalf of Morton Sobell.

And as you go to others will you take a petition so we can send a delegation to Washington the end of June with thousands of signatures calling for Morton Sobell's release from Alcatraz.

The activity of thousands a year ago moved millions into action. You who helped spark those thousands before, must help now

Sincerely yours,

*Norma Aronson*  
Norma Aronson  
For the Committee

Our office will be open each evening for tickets, memorial certificates and literature.

THE DEATH HOUSE LETTERS  
IN THE DEATH HOUSE

New York, June 8.—In the year since Julius and Ethel were executed, their "Death House Letters" have been read by millions of people. A book of their letters has been published in many languages, and the letters have appeared in leading newspapers throughout the world.

Julius and Ethel Rosenberg were executed last June 19th. This month memorial meetings will be held throughout the United States in Los Angeles, San Francisco, Detroit, Chicago, Baltimore, New York and other cities.

The meeting in New York will be on Thursday, June 17, 8 p.m. at Chateau Gardens, Manhattan. Its theme, as in the case of other meetings throughout the country, will be the memory of the Rosenbergs and the campaign to win a new trial for Morton Sobell, their co-defendant imprisoned in Alcatraz.

The "Death House Letters", a collection of letters written by the Rosenbergs when they were in the death house at Sing Sing, have been published in the United States, England, Holland, Canada, Mexico, Japan, Germany, Czechoslovakia, Spain, Italy, France, Sweden, Norway, Denmark, Finland, Iceland, and other countries.

Arrangements are now under way to publish the book in Argentina, Finland, India and other countries. The book had been scheduled for publication in Spain, but censorship by the Franco government prevented the printing of the Spanish edition.

In Japan, "Death House Letters" proved to be one of the top nation-wide sellers. Some 125,000 copies of the book have been sold.

The original edition of the book was published in the United States by the Jaro Publishing Co., 401 Broadway.

A new edition, in the memory of Samuel Bloch, late attorney for the Rosenbergs, will be published this month by Larson and Kahn, 109 Greenwich Ave., New York City.

This edition will contain a considerable number of the Rosenberg letters not previously published, including their final letters.

DETAILS:

*pull*  
The title of this case has been marked changed to reflect additional names of National Rosenberg - Sobell Committee and National Committee to Secure Justice for Morton Sobell in the Rosenberg Case.

BACKGROUND FOR NATIONAL COMMITTEE TO SECURE JUSTICE IN THE ROSENBERG CASE (NCSJ)

2 JULIUS and ETHEL ROSENBERG and MORTON SOBELL were convicted in the United States District Court, Southern District of New York on March 29, 1951 of conspiracy to commit espionage on behalf of the Soviet Union. JULIUS and ETHEL ROSENBERG were sentenced to death and MORTON SOBELL was sentenced to a term of thirty years.

3 T-1 and T-2, both of known reliability, advised that the National Committee to Secure Justice in the Rosenberg Case was formed on January 2, 1952. The claim of this committee was that the ROSENBERGS were convicted because they were Jews and because of their political beliefs. The aim of this committee was to secure a new trial or clemency for the ROSENBERGS. The ROSENBERGS were executed at Sing Sing Prison, Ossining, New York on June 19, 1953.

4 On October 13, 1953, T-3, of known reliability, advised that a national conference of the committee was held in Chicago on October 10 and 11, 1953 and the National Rosenberg-Sobell Committee was formed on October 11, 1953.

5 T-4 and T-5, of known reliability, advised in December, 1953 that the committee during December, 1953 took the name of the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case.

T-6, of known reliability, advised in February, 1954 that the account of the committee in the Chase National Bank, Times Square Branch, New York City has continued to use the name National Committee to Secure Justice in the Rosenberg Case.

On May 7, 1954, T-7, of known reliability, advised that the purpose of the committee is to raise money for SOBELL to obtain a retrial and to have him removed from Alcatraz to some other penitentiary.

T-7 further advised that the activity of the NCSJ is limited to publicity for SOBELL, money raising and demands for retrial and transfer from Alcatraz. T-7 further advised on May 7, 1954 that HELEN SOBELL, wife of MORTON SOBELL, was angry with the NCSJ because since SOBELL went to prison there has been little to no emphasis on his case and he is just sitting out his thirty years in jail. T-7 advised that HELEN SOBELL is doing more than anyone else and tries to get on platforms as a speaker at various front rallies. T-7 advised there would be increasing activity on behalf of SOBELL and that the NCSJ would not die out.

PAYMENT BY THE NCSJ

T-6 has been able to furnish information concerning the various checks drawn by the NCSJ which information includes the identity of the payee, together with the amount of the payments. The following schedules set forth the check date and the amount paid to the various individuals. The column "Endorsements and/or Explanation" contains the explanation appearing on their check for the individual disbursements. It will be noted that there were numerous checks drawn to cash which were presented to the Chase National Bank by a committee employee and according to T-1, the employee was reimbursed in cash. From the explanation appearing on the check, it appears that the cash may have been used for the payment of vendors' invoices.

Topic:

Are you not an espionage agent on the payroll of the Communist Party at this very moment?

7-1048 B

Q Now have any evidence of that produce it?

**McARTHY:**

The best evidence is that you're sitting there and standing on the Fifth Amendment. You know Julius Rosenberg was convicted of espionage and executed. From your answer it could be concluded that you're now engaged in espionage. Do you feel you should be walking the streets of this country, or that you should have the same fate as the Rosenbergs or Sobell?

**WETTER:**

**That's an outrageous question.**

# JUSTICE:

In Washington D. C. a shouting, sobbing witness was ejected from a Senate hearing after Senator McCarthy refused to let the retired engineer deny he spied for Russia. The engineer stood on the Fifth Amendment when asked if he was a Communist or how well he knew the atom-bombers, Julius Rosenberg and Morton Sobell. McCarthy declared:

**MCCARTHY**

Am not listening to anyone who stands on the Fifth Amendment. Throw this witness out.

JUSTICE:

is - according to your opponent, Senator McCarthy reported the following:

MCARTHY:

A witness broke down today under some rather rigorous cross-examination by Roy Cohn, after denying he knew Rosenberg or had any knowledge of an espionage ring. It revealed that the witness who is a close personal friend of Rosenberg, they shared an apartment at one time.

JUSTICE:

asked if the witness was one of the Rosenberg spy ring McCarthy declared

MCARTHY:

that don't want to say how much he participated in it.

JUSTICE:

on that same day, the witness, a thirty-seven year old engineer decided to make public his part in the hearing because he was being persecuted by his neighbors. Carl Greenblum stated that he was a loyal American and that the reason he had broken down was because his mother had died two days before the hearing, and he was unprepared for the rapid barrage of questions. He said he had a nothing acquaintance with Rosenberg and Sobell at City College.

GREENBLUM:

I had a natural dislike for Rosenberg and at no time had any social association with him. During the war Rosenberg was my replacement on a job with the Signal Corps.

(S - 1000 - 1000)

He took the apartment I had, and got  
my place in the car pool. I never had any  
sympathy for Communism and had a revolution  
against it.

JUSTICE:

and Greenblum was suspended from his Signal Corps  
position. No reason was given for suspension.  
Fort Monmouth, Schenectady, Doctor Oppenheimer,  
Doctor Bunch, etc.

Is this familiar? It is to me. It's not a part of  
the pattern. Part of the AMERICAN NIGHTMARE.

(STAY DIRECTLY TO THE AUDIENCE)

JUSTICE:

Good evening, ladies and gentlemen - friends. At 11 o'clock  
last night, I am sure you will forgive me. A year ago to-  
night, a man and a woman, who were especially dear to me,  
were coldly and calculatingly destroyed, electrocuted.  
I spent that evening on an old rock, in an old sea, with  
a man who moved alone in a small cell. The rock - was  
Heaven. The man is Morton Sobell. (SIDING) My name is

JUSTICE.

that night, we stood on the streets with you, and we sat  
next to you in your rooms, and we cried with you, and  
we cried with Ethel. And a thousand words could not tell you with  
Morton Sobell.

SOBEL:

(SHOCK, HURT, ANGER) How could they do it? How dare  
they so arraign us? Even if it is possible to conceive  
of death for political purposes, how could they actually  
do it? To take a man and a woman, a father and a mother  
to subject them to six years alone in a death cell, and  
then to lead them to the electric chair - it's a mockery -  
a mockery of civilization! No torment was spared them -  
no torture. As they held their innocence tenderly,  
knowing it's worth for themselves, their children, for us  
our country. They give new meaning to human dignity.  
I can only learn from them. (SPOT OUT SOBEL)

and through the night, I stayed at a Boston Sobell.  
In America, there there is nothing to do but stare at  
window of steel, we sat together, planning hard to find  
reality in this nightmare. (SPOT BLATANTLY)... when did  
to start -- there did it begin? For America it started  
with the cold war. To keep the boys in Korea and Chiang-  
Kai-shek in Formosa, to keep the bombers rolling off the  
assembly line, to keep the dividends rolling in, to build  
up the national temperature. America was infected with  
everish suspicion and contagious mistrust. Thousands  
of posters were needed to produce thought-control for  
millions. The political climate in this country became  
one of rising fear with a growing hysteria against all  
who would not conform. As a progressive American, Morton  
Sobell was not alone in his fear of the rise of Fascism  
in 1950 America. He looked forward to a long-planned  
vacation in Italy eagerly, as a release from the tensions  
in the United States. One day in July, Morton Sobell  
opened a newspaper in Mexico City and read that Julius  
Rosenberg had been arrested as an alleged Atom Spy.

(SPOT PICKS UP SOBELL ON STAGE, NEWSPAPER UNFOLDED, READING)

SOBELL:

Julius Rosenberg a spy? That's absurd.

JUSTICE:

but it was terrifying. Sobell was sure that Julie was being persecuted for political reasons. Anyone who opposed the Government or who dared speak out against any tyrannical policy, could find himself slipped into jail on one pretext or another. The red smear was calculated to silence and intimidate. That by in July, Sobell was convinced that a dictatorship was being over his country.

(SOBELL STOPS TO A WALK, STRAIGHTENS UP, SHOULDERS BACK)

JUSTICE: (continues)

Sobell was not cut out to be a political refugee. He went back to Mexico City and talked it over with Helen, his wife. They decided to go back to New York and take up their lives. They secured their vaccination shots, needed for their return home, and, relieved at the rightness of their decision, (SPOT OUT) they decided to relax and enjoy the few weeks left of their vacation.

SOBELL: (DESPERATE) Jones! My name is Morton Sobell. I've never  
been to Alameda. I'll show you my papers. This is  
some horrible mistake.

READER: Come on, we're wasting time. (TWO MEN HOLDING SOBELL, START  
TO PULL, BUT HE HOLDS BACK.)

SOBELL: Let go or not? This is crazy! I demand to speak to the  
American Embassy. Let go or not? (STRUGGLES)

SOBELL: To cooperate?

AGENT: (QUIETLY - FIRMLY) Testify against Rosenberg when the case comes to trial.

SOBELL: Or am I my wife's attorney?

AGENT: That's all right. Tell the truth about him being a spy. If you like, I'll get a stenographer and we can go.

SOBELL: (PASSIONATELY) Sure, I'll tell the truth. Julius Rosenberg's no spy and I'm no spy.

AGENT: You're making a big mistake, Sobell.

SOBELL: I'm telling you the truth.

AGENT: You won't testify then?

SOBELL: I want to see a lawyer.

Five days later he was arraigned in New York, held on \$100,000 bail. Q. Now, did you ever plan a loyalty oath for the Federal Government?

A. Yes, I did.

Q. Were you worried about it?

A. Yes.

Q. Were you worried about it in 1946?

A. I think I was always worried about it.

Q. You knew that you were guilty of perjury, did you not?

A. Well, I didn't realize that it was perjury as such, I knew I was lying under oath.

Q. You know that entails a jail sentence?

A. Yes.

Q. Have you ever been arrested for perjury?

A. I have not.

Q. Have you ever been indicted for perjury?

A. I have not.

Q. And have you never been convicted of perjury?

A. No.

Q. Now, when you were interrogated by the FBI for the first time, as you say, in June 1950, did that fear of prosecution persist in your mind?

A. Yes, I realized that the implication was yes.

INTERVIEW (Continued)

Q. You said that the Government had something over you, didn't you?

A. I couldn't tell; I thought, yes, perhaps.

Q. It is not out of a sense of patriotism that you told the FBI the story?

A. In a sense, yes.

Q. You just told us that the fear you had had to do with your telling the story.

A. Yes, but I felt--

Q. It is to save your own skin, isn't it? After that first interview, weren't you fearful that you might be prosecuted by a government of the United States for perjury?

A. Yes.

Q. You said is under direct examination that your employment with Reeves Instrument Company is terminated.

A. That is correct.

Q. When was the first time that you had any knowledge or information that your employer was considering terminating relationship?

A. Two weeks ago.

Q. Did you buy a new automobile within the last two weeks?

A. Yes.

Q. And when you bought that automobile did you have any worry in your mind about any future prosecution by the Government?

Witness (continued):

1. Yes, I did.

2. You bought a car nevertheless?

3. Yes, I felt that it was no difference in money. If I was to be prosecuted I could transfer it into funds.

4. Did you pay cash for the car?

5. No, it is in three payments.

Re-examination:

6. Do you recall seeing Sobell in 1945?

7. Yes, he went on a vacation in West Virginia.

8. While you were there, did you have any conversation?

9. Yes.

10. What was said?

11. I told him that Julius Rosenberg had visited me a short time ago, in Washington D.C. and asked me whether I could contribute military information to Russia, and in the course of that, Rosenberg said that he, Sobell, was also helping in this.

12. Did you have a conversation with Sobell at Reeves Instrument Corporation in 1947?

13. Yes, I met him more than once at Reeves.

Q. Why was he going at that hour of the night?

A. Well, he said he didn't want to keep the staff around the house because of the danger.

Q. Danger of what?

A. (Am0430) The danger of my being followed to the house by the FBI.

Q. And you accompanied him?

A. Yes.

Q. He drove to Manhattan?

A. Sobell did.

Q. He drove back home?

A. Sobell did.

Q. Had you involved yourself up to this point, in spite of many invitations, in any kind of his espionage business?

A. No.

Q. As a matter of fact, the only contact you have ever had, illegally with secret or dangerous stuff was on that ten mile trip, Manhattan, was it not?

A. Yes.

Q. Did you report this trip on your first visit with the FBI?

A. No I did not.

Q. Yet this occasion loomed importantly in your mind, didn't it?

A. Yes.

since it was the only contact you ever had with respect to dangerous stuff, right?

Yes.

But you didn't tell this to the FBI on your last arrest?

No, I did not.

Were you trying to conceal it?

(ASSISTANT) Is it the time, perhaps.

In other words you lied to the FBI, didn't you?

No, I omitted it -- but I didn't -- alright, I lied.

Now, answer my question. Did you lie to the FBI?

Yes.

For years you and Sobell worked together and lived together and did secret government work. Is that correct?

Yes, it is.

Did he ever ask you for any documents, to your knowledge?

Did he ever take any documents himself, illegally?

No.

Defense: THE WITNESS IS EXCUSED.

JUDGE:

The attorney is the only person to testify against Morton Sobell. There are other government witnesses, but they only speak regarding Sobell's stay in Mexico. For three years, day after day, Sobell sits waiting-- waiting for charges against him. The five conversations with Julius Rosenberg, are never even mentioned -- he doesn't take the stand -- there is nothing for him to testify about. The judge in putting the case in the hands of the jury, states that:

JUDGE (TO THE JURY):

If you do not believe the testimony of Mr. Clutcher as it pertains to Morton Sobell, then you must acquit the defendant Sobell.

CURTAIN.

JUSTICE (SIDE STAGE):

But ears, and mind and reason are lost under the thick cloud of hysteria. They returned a built-in verdict. Guilty -- and there was no ray of imagining the calculated viciousness of the pronouncement.

JUDGE (BEHIND CURTAIN (Stage lights dim)

The issue of punishment in this case is presented in a unique framework of history. It is so difficult to make people in this country realize that it is engaged in a life and death struggle with a completely different system.

I consider your crime worse than murder. I believe your conduct in putting into the hands of the Russians the atomic bomb years before our best scientists predicted Russia would perfect it, has already caused, in my opinion, the communist aggression in Korea. You undoubtedly have altered the course of history to the disadvantage of our country. I believe I must pass such sentence upon the principals in this diabolic conspiracy, which will demonstrate with finality that this nation's security must remain inviolate. That Julius Rosenberg was the prime mover in this conspiracy, is quite clear. However, let no mistake be made about the role which the wife, Ethel, played. She was a full-fledged partner in this crime. Love for their cause dominated their lives. It was even greater than their love for their children. What I am about to say, is not easy for me. I have weighed, carefully, the evidence. Every nerve, every fibre of my body has been taxed. I am just as human as the people who have given me the power to impose sentence. I am convinced that I would violate the solemn and sacred trust placed in my hands were I to show the leniency to the defendants Rosenberg.

The sentence of this court upon Julius and Ethel Rosenberg is, for the crime for which you have been convicted, you are hereby sentenced to the punishment of death, and it is ordered that you shall be executed, according to law.

JUSTICE (CONTINUES)

the sentence, Jordan Brown. While I have not the slightest sympathy for you or any of your associates, as a judge, I must be objective. I do not for a moment doubt that you were engaged in espionage activities; however, the evidence in the case did not point to any activity on your part in connection with the second bomb. I cannot be moved by hysteria, or motivated by a desire to do the popular thing. There isn't any doubt about your guilt, but I must recognize the lesser degree of your participation. I therefore sentence you to the maximum prison term provided by statute, to wit, thirty years. While it may be gratuitous on my part, at this point note my recommendation against parole, the same shall stand unless ordered otherwise.

appeals from the small, and because of that, the great.

100-123 (Continued)

from release, educators, lawyers, officers, cabinet ministers, and heads of state from 23 states of Jerusalem, from 3000 American ministers. All of them pledging loyalty to the President or to the Congress.

But they beat down, now, as never before. THREE HEADLINES: FOREIGN, "THEY'VE RETURNED 25 years of your life." FIVE, "SOBANEH TALKS." FIVE, "TALKS."

SOBANEH: "I have talked for three years I've talked of our innocence. But you struck off every good and decent American, as Reds and Ropes. But look back at history, and see, who were the innocent and who were the guilty, no were the ropes and who were the mad dogs."

"We are the first victims of American Fascism, and the most monstrous frame-up in the history of our country, and there will be more... MANY MORE."

"I have heard from my attorneys and read in the magazines (I am not allowed to read newspapers here) that Senator McCarthy is using the charge of association with me as a threat against other scientists. The same methods and personnel are now being used by Senator McCarthy as were used by the Attorney General's office to bring about my conviction. This continuation and broadening out of the spy scare, can only result in the same terrible consequences to other innocent people, as it has already for me."

Sobell (continues)

Three and one-half years in prison have not shaken my faith that I was right in calling the truth of my innocence, even if it meant being sent to the chair. As soon as the American people understand that the same methods which are now being so rigorously denounced, were used to bring about my unjust conviction, I will not flee.

AS MORTON SOBELL SPEAKS... THE CURTAINS PART, REVEALING A TEN-FOOT ORAL OF SOBELL. USHERS COMING FROM EITHER SIDE TEARING AWAY BANDS PLACED JUSTICE COVER THE ODOROUS AS JUSTICE TAKES TO CENTER STAGE... DETERMINED... SINCERE.

JUSTICE: YES, MORTON SOBELL... YOU MUST TAKE CARE, UNTIL YOU DO, NO ONE IS SAFE.

MEMORANDUM to: New York Rosenberg-Sobell Committee  
From: Norma Aaronson

June 3, 1954

**NEW YORK COORDINATING COMMITTEE WILL MEET ON**

**Monday, June 14, 1954 at 8:30 at 1050 Sixth Avenue  
on the plans for the 17th and the 20th.**

**Each committee or area should have one representative present.**

**Our Committees should take special note of these recent developments:**

**1- The Army-McCarthy hearings disclose that an Army investigation found no "espionage" ring involving the Rosenbergs and Sobell at Fort Monmouth. The type of "evidence" Roy Cohn used to convince a jury of laymen in the Rosenberg-Sobell case was rejected by expert Army investigators.**

**2- In The Rosenberg-Sobell case the Attorney General's office promised the court and jury that it had FBI witnesses to prove its charges, although it never produced any such witnesses, and it knowingly withheld information and lied to the courts on many occasions.**

**On June 28, 1954, news reports revealed that an Assistant U. S. Attorney has either been fired or had resigned his office on charges involving false promises to produce FBI witnesses and withholding information from the courts in a "loyalty" case.**

**A SPECIAL LEAFLET ON THIS HAS BEEN PREPARED AND ARRANGEMENTS SHOULD BE MADE FOR DISTRIBUTION AT PUBLIC MEETINGS AND KEY POINTS BEFORE JUNE 17th. Leaflets also contain the announcement of the Rosenberg Memorial meeting.**

**DINNER OF TRIBUTE JUNE 11th: Reservations for individuals must be made at once for the dinner.**

**Phone or mail in to this office immediately.**

**Where a few more days are needed to complete a pledge, please note it for us. Naturally, we expect that our most active leaders plan to come.**

**ROSENBERG MEMORIAL MEETING JUNE 17th. This can and must be an overflow meeting-- if people are told about the meeting. We urge you to reach your friends and organizations on this with tickets.**

**UNVEILING JUNE 20th: The Rosenberg stone unveiling will be held at Wellwood Cemetery Sunday, June 20 at 1 p.m. The office will have available shortly directions on how to reach the cemetery. We know that hundreds will want to pay their respects that day, and urge that car pools be arranged in your neighborhood. Each committee should designate two men for assignment as ushers.**

**ALCATRAZ PETITIONS: Petitions are being returned very slowly to this office. Yet our experience shows that with organization, signatures can be secured. While you are seeing many people for the Memorial Certificates and the meeting, make sure that you give them a petition for signatures.**

**California is planning a special delegation to Alcatraz immediately following their Memorial Meeting, and certainly we in the East coast should be prepared to take special action in Washington before the end of June.**

Dear Sir:

Saturday, June 19, I called your office concerning the enclosed literature sent to me by The Free Thought Press Association, Inc., 370 West 35th Street, N. Y. and ACTION BOOKS, 165 Broadway, Room 2800, New York, N. Y. Following the advice of the representative of your office to whom I spoke, I have written both of these concerns asking them to take my name from their mailing lists. I am enclosing copies of these letters.

In my conversation Saturday I mentioned the fact that my son-in-law, Eric S. Leader, who also lives at this address, is especially embarrassed to have any of this subversive material coming here as he is employed by the Atomic Energy Commission's Manhattan Branch at Columbia University, under the title of "Experimentalist", to build the machines designed by the professors at that institution. He is absolutely out of sympathy with the ideas expressed in the literature sent me.

My deceased husband, Arthur H. Bartelt, while he was First Criminal Assistant District Attorney of Milwaukee County, endangered his life fighting Bolshevism in Milwaukee - won a case against the noted Clarence Darrow who was defending a group of Anarchists whose bomb wrecked the city police station. He wrote several articles against Communism which were published in The National Republic. Had he lived he would still be in there pitching against Communism. My daughter, Mary Leader, hopes to carry on the fight through the medium of the drama.

Sincerely

Mabel A. Bartelt

BRITISH TRADE UNIONS

URGE JUSTICE FOR SOBELL

New York, June 10--Leading British Trade Unions have demanded a new trial for Morton Sobell, scientist convicted in the Rosenberg trial and imprisoned in Alcatraz on a 30 year sentence.

A call for a new Sobell trial and for Sobell's removal from Alcatraz will be heard in New York at a Rosenberg memorial meeting on Thursday, June 17, 8 p.m. at Chateau Gardens, 105 East Houston St., Manhattan. These demands will also be heard at other memorial meetings next week being held at major cities throughout the country to mark the first anniversary of the Rosenberg execution.

British trade unions to take a stand on the Sobell case include the Manchester General Branch of the Clerical and Administrative Workers Union, The Fallowfield Branch of the Union of Shop, Distributive and Allied Workers, the Southwark Branch of the Constructional Industries Union and the Manchester Branch of the National Union of Railwaymen.

Typical of the statements made was a resolution passed by the Manchester area of the Electrical Trade Union. The resolution that "the members of the E.T.U., support the plea of Mrs. Lorton Sobell for a new trial for her husband. Meanwhile, we would urge the American government to transfer Morton Sobell to a prison where it is possible for him to see his family. Morton Sobell's children are not allowed to visit him in Alcatraz."

A petition campaign is under way in the United States to obtain the removal of Morton Sobell from Alcatraz, the prison for the most hardened

criminals. Morton Sobell was ordered there after he refused constant pressure

to "confess" and continued to fight to prove his innocence. The petitions being circulated by the National Committee to Secure Justice for Morton Sobell in the Rosenberg Case are addressed to James E. Bennett, Director of Prisons, Washington, D.C.

In addition to the Rosenberg memorial meeting being held in New York, meetings are also scheduled for San Francisco, Los Angeles, Chicago, Detroit, Cleveland, Baltimore and Newark. There are also meetings in Canada and other countries throughout the world.

EIGHT ROSENBERG-SOBELL MEETINGS  
THROUGHOUT COUNTRY THIS WEEK

NEW YORK, June 14--There will be eight memorial meetings throughout the country this week to mark the first anniversary of the Rosenberg execution and to seek a new trial for scientist Morton Sobell.

Sobell, who was tried with the Rosenbergs, was sentenced to 30 years and sent to Alcatraz, America's prison for the most hardened criminals. While legal steps are being taken to win a new Sobell trial, petitions are being circulated urging his removal from Alcatraz.

A meeting will be held in New York on Thursday, June 15, 8 p.m. at Chateau Gardens, 105 East Houston Street (at Second Avenue) Manhattan.

The speakers will include John Wexley, author of "The Last Mile", classic on capital punishment, and of "They Shall Not Die", a play on the Scottsboro case. Wexley is writing a book on the Rosenberg case scheduled for publication soon by Doubleday and Co., New York City.

The New York meeting will also be addressed by Rabbi Meyer Sharff of Brooklyn; Helen Sobell, wife of Morton Sobell; John T. Molanus, general manager of the National Guardian Newspaper, the first newspaper to campaign for clemency for the Rosenbergs, and others. The meeting will hear a recorded speech made by the late Emanuel Bloch, attorney for the Rosenbergs.

Meetings are scheduled this week for Los Angeles, San Francisco, Chicago, Detroit, Cleveland, St. Louis, and Newark, N. J. There will be meetings in Toronto, Canada, Vancouver, British Columbia, and in cities throughout the world.

The theme will be similar at all of the gatherings--remembrance of the Rosenbergs and a demand for "Justice for Morton Sobell".

**Re: COMMITTEE TO SECURE JUSTICE FOR MORTON SOBELL  
IN THE ROSENBERG CASE  
INTERNAL SECURITY - C**

The following article, by staff member DEBORAH TARANT, appeared in the "Morning Freiheit" of June 19, 1954, on page 1, columns 3-4-5, continued on page 8, columns 1-2:

**25 Hundred Honor Memory Of Ethel And Julius Rosenberg**

The big Chateau Garden Hall, at 105 East Houston Street, was jammed with 1,500 people on Thursday evening even before the beginning of the Rosenberg Memorial Meeting, and the masses continued to stream forward from Manhattan, Brooklyn and the Bronx.

The NATIONAL COMMITTEE TO SECURE JUSTICE FOR MORTON SOBELL IN THE ROSENBERG CASE, which arranged the evening, had to rent two additional halls in the same place, and they were quickly filled with thousands of people, and many were turned away.

This was an evening in honor of the first anniversary of the death of martyrs Ethel and Julius Rosenberg, who were killed on June 19, one year ago. The evening was, simultaneously, an expression of struggle for the liberation of Morton Sobell, who was sentenced to thirty years at Alcatraz, because he expressed his convictions that the Rosenbergs are innocent and he did not want to become a perjurer against them, as *stated by* DAVID ALMAN, one of the leaders of the Committee, said.

With thunderous applause and enthusiastic cries the big audience approved the promise, which was read by chairman NORMA ARONSON, to fight for the liberation of Morton Sobell and for the purification of the names of the innocent martyrs Ethel and Julius Rosenberg.

On one side of the platform stood big pictures of Ethel and Julius Rosenberg, and a picture of Morton Sobell on the other side - which served as a reminder that they were waiting for justice.

JOSEPH BRAININ, national secretary of the Rosenberg and Sobell Committee, stated, in his moving speech, that the sentences against martyrs Ethel and Julius Rosenberg, and against Morton Sobell were a violation of the legal process. "The Rosenbergs are not dead", he cried out, "their memory will live forever".

Rabbi Mayer MEYER SCHARFF delivered a moving speech in which he stated that he joined the movement to save the Rosenbergs two years ago because, according to Jewish law, the life of a person, of a Jew, is dearer than all else. He said that when the Hebrew Sanhedrin, once in 70 years, sentenced a person to death, it was considered that the Sanhedrin committed a frightful act. "Last year I risked my life, my body, my soul and my career to save the Rosenbergs"... He pointed out that even now there was tremendous pressure on him not to attend this meeting. He was called on the telephone and warned and threatened not to attend the memorial meeting. He also said that he would attend the unveiling of the tombstone over the graves of Ethel and Julius Rosenberg which would take place on Sunday, and that he would go to the cemetery.

HELEN SOBELL, wife of Morton Sobell, delivered a moving and warm speech, and read from her husband's letters in which he ~~writ~~ said, in parts "I will never stop declaring that I am innocent". She demanded that her husband be transferred from Alcatraz and receive a new trial.

DAVID ALMAN, one of the leaders of the Committee, in a brilliant speech, repeated the story of the false charges against the Rosenbergs and Sobell. He, like others, pointed out the disgusting role of McCarthy and Roy Cohn, as the assistant prosecutor, who brought in the death sentence against the Rosenbergs. Alman's words: "When we fight for freedom for Morton Sobell, we are fighting for freedom for the United States", gave rise to strong applause.

The speech by JOHN WEXLEY, famous writer and dramatist, who flew here from California especially for the meeting, made a profound impression. Wexley is the author of that famous book "The Last Mile", and a number of other books as well as film stories. Wexley is now writing a book on the Rosenberg case which will be published in the near future, by Cameron and Kahn. With bated breath the audience listened to Wexley's report of how he ~~ex~~ investigated the "proof" against the Rosenbergs and Sobell, which was introduced in the court, and he was convinced that they were false. He went to New Mexico and to all the other places brought out by the government witnesses at the trial and he convinced himself, at those places, that they were false.

JOHN T. MC MANUS, manager of the weekly "National Guardian", said that Morton Sobell is a political prisoner just like many other victims of political persecution in the U.S. today, and he called upon those present to fight for his liberation. McManus worked closely with lawyer Emanuel Bloch, who died prematurely, due to his fight to save the Rosenbergs and Sobell, therefore he introduced a record with a speech by the deceased lawyer. The words of Emanuel Bloch: "When you believe in a principle, you are ready to suffer for that principle and even to die for it...", these words made a profound impression on the audience.

That beloved artist MARTHA SCHLAIMA made a deep impression with her singing of appropriate songs. A particularly strong impression was made by her singing of Helen Sobell's song "Courage", music by George Segal. A group of YOUNG JEWISH SONGSTERS, made a strong impression when they appeared a number of times under the direction of talented BOB DECORMIER.

In a second hall, where some of the audience were assembled, Mrs. Sobell, the mother of Morton, was among the speakers, and she moved the assemblage to tears with her appeal to intensify the fight to free her son.

Re Bureau telephone call, 6/23/54.

At 4:00 p.m., 6/22/54, General JULIUS ROSS ADLER, Vice-President and General Manager, "New York Times" was interviewed at his office by SA JOHN J. DANAHY.

General ADLER advised that on 6/17/54 an individual who gave his name as ED JACOBS, telephone number LO 4-9585, and representing himself as acting on behalf of SOPHIE ROSENBERG, 35 Laurel Hill Terrace, NYC, had placed the following "In Memoriam" advertisement for the Sunday, 6/20/54, edition of the "New York Times":

"ROSENBERG - JULIUS and ETHEL, husband and wife,  
father and mother, beloved children  
taken from us June 19, 1953.

In their everlasting memory.

MOTHER and FRIENDS"

General ADLER advised that this advertisement was accepted by a clerk for a fee of \$15.30 in cash accepted, but when it was called to his attention on 6/22/54 he advised his subordinates not to publish the advertisement and to inform Mr. JACOBS to the effect. He advised that he had subsequently ascertained that the aforementioned number is listed to the National Committee to Secure Justice in the Rosenberg Case and that Mr. JACOBS had been advised of the refusal of the "New York Times" to publish the advertisement whereupon Mr. JACOBS had attempted to argue the issue but was summarily told that the decision of the "New York Times" was final. Mr. JACOBS was further advised that he could secure a refund in the form of a check for \$15.30 by presenting himself at the offices of the "New York Times" and furnishing proper identification. General ADLER advised that to date Mr. JACOBS, although he indicated he would pick up the check, had not done so and that if any identifying information concerning him is obtained, it will be immediately furnished to this office.

At approximately Noon, today, Miss FOSTER of General ADLER's office telephoned and in your absence was referred to the writer. She stated that General ADLER has a matter he would like to take up with the FBI and wondered if we could make arrangements to send an Agent up to his office tomorrow, Tuesday, 6/22/54, to confer with the General. Miss FOSTER was unable to furnish any information concerning the General's desire to discuss the matter with the FBI. Miss FOSTER inquired as to whether she could be furnished the name of the SA who would be sent to see the General. I advised her that I would see that she was called back some time today and furnish the name of the Agent.

I, thereafter, telephonically communicated with Mr. WIK in Mr. NICHOLS' office at the Bureau and advised WIK of the above call. WIK advised that the Bureau had no intimation of the reason for ADLER's call. WIK emphasized that, of course, a thoroughly experienced Agent should handle the interview of ADLER.

Inasmuch as Miss FOSTER is expecting a call back this afternoon as to the identity of the Agent, it is suggested you might want to have this matter assigned immediately.

The appointment is for 4:00 P.M., Tuesday, 6/22/54, in General ADLER's office, 229 West 43rd St., NYC, 14th Floor.

Miss FOSTER can be reached at LA 4-1000, Ext. 773.

MEMORANDUM for GENERAL ADLER

With Mr. Carroll's memo, attached, is the copy of the In Memoriam ad not accepted.

Referring to Carroll's memo, it appears that Ted Jacobs must be a known communist or fellow traveler since he was readily reached by telephone at the office of the National Committee to Secure Justice in the Rosenberg Case. So far his home address has not been obtained -- another effort will be made when he comes in for the check.

## **FIRST IN NEW YORK IN CLASSIFIED ADVERTISING**

### ***First with Advertisers—***

For many years, Classified advertisers have used more space in The New York Times than in any other New York newspaper. They know from experience that The Times produces superior results for all kinds of advertising—consistently and at low comparative cost.

### ***First with Readers—***

Prospects for various merchandise or services prefer to shop through The Times Classified columns because of the large volume and wide range of offerings there, and because they have full confidence in the reliability of advertisers who use The Times.

Two good ways to find what you want: 1—Advertise for it in the Classified columns of The New York Times. 2—Read the announcements of other advertisers there.

---

The New York Times will pay a reward of \$100 to anyone causing the arrest and conviction of a person or firm obtaining money under false pretenses through advertising published in its columns.

MEMORANDUM FOR

Mr. Hall

The In Memoriam notice for Julius and Ethel Rosenberg was paid for by Ted Jacobs, who gave his telephone number as LO 4-9585. He said he was inserting it for Mrs. Sophie Rosenberg (mother of Julius Rosenberg), 36 Laurel Hill Terrace, New York, N.Y. -- Private Phone LO 8-0821.

I have had a check made of the telephone number and find it is listed for the National Committee to Secure Justice in the Rosenberg Case, 1050 Avenue of the Americas, New York, N.Y.

I reached Mr. Jacobs by telephone this afternoon and told him we would not publish the advertising. He tried to argue the point, but I told him the decision was final, and I gave him no reason—merely pointed out that a newspaper has a right to accept or reject any advertising it sees fit. I told him we would be glad to refund his money, if he would call in person. I said we would have the check made out to Ted Jacobs and, upon proper identification, would release it. Jacobs said he would probably be in on Monday to pick up the check.

MEMORIAL GATHERING HELD

AT GRAVES OF ROSENBERGS

NEW YORK, June 21--Persons from New York and nearby states gathered yesterday afternoon at 1 p. m. (Sunday) for a memorial service held at the graves of Ethel and Julius Rosenberg.

The memorial took place at Wellwood Cemetery, Pinelawn, Long Island, Section 2, Block 5, Row J.

One year ago, on June 19, 1953, Ethel and Julius Rosenberg were executed despite world-wide protests. Since their execution, a campaign has been waged to win a new trial for their co-defendant Morton Sobell, scientist condemned to 30 years in Alcatraz.

The gathering at the Rosenbergs' graves climaxed a week of memorial meetings throughout the United States, and countries throughout the world.

Meetings were held last week in Los Angeles, San Francisco, Cleveland, Chicago, Detroit, Baltimore, and New York. There were also meetings in Vancouver, B. C., and Toronto, Canada.

The meeting held in New York, on Thursday, June 17, at Chateau Gardens, was attended by 2500 persons. Three halls had to be used to accommodate the gathering.

Petitions were circulated at the meeting demanding that James V. Bennett, Director of Prisons, remove Morton Sobell from Alcatraz.

Received From  
CSN 1-68

what do the **FACTS** say?

## the charge

It is one year since Ethel and Julius Rosenberg were executed despite world-wide protest.

It is nearly two years since their co-defendant, scientist Morton Sobell, was sent to Alcatraz under sentence of 30 years.

Last fall newspapers headlined new charges against the Rosenbergs and Sobell... charges that had never been made in the trial.

The accusers were Senator McCarthy and his aide, Roy Cohn, who was a chief prosecutor in the Rosenberg-Sobell trial. McCarthy and Cohn accused the Rosenbergs and Sobell of masterminding a radar spy ring at Fort Monmouth... a ring that was still operating.

## the truth

The sensational charges by McCarthy and Cohn caused innocent scientists to lose their jobs.

But when the chips were down, McCarthy and Cohn could not present one shred of proof of Ft. Monmouth espionage.

The Army conducted its own investigation, after which Army Secretary Stevens stated that no espionage ring existed at Ft. Monmouth.

It was the Army's expose of these unfounded charges that led McCarthy and Cohn to launch their now-famous attack on the Army itself.

## was there EVER a Rosenberg-Sobell spy ring?

The Rosenbergs and Sobell vowed their complete innocence.

Morton Sobell says they were convicted with the same kind of reckless lies used by McCarthy and Cohn at Fort Monmouth.

Yet the Rosenberg-Sobell case has never been reviewed by the Supreme Court.

There is now new evidence... evidence that the chief prosecution witnesses lied in the trial... evidence that the prosecution itself, of which Roy Cohn was a part, helped manufacture these lies.

It is hard to believe that a U.S. Attorney General's office could be involved in such dishonesty... Yet a government attorney recently admitted he was under orders to mislead a Grand Jury in the "loyalty" case of Val Lorwin.

The Rosenbergs were put to death... Morton Sobell was sentenced to 30 years in Alcatraz.

- How many more men and women will be arrested, imprisoned and even put to death by unscrupulous prosecutors?
- How many more men and women will have their good names smeared and their jobs taken away because they were supposed to know somebody convicted by such prosecutors?
- Will you help protect your rights by joining the demand for a new trial for Morton Sobell... a trial that will bring out the full truth in this vital case?

INTERNAL SECURITY - C

On page 2, column 2 of L'UNITA DEL POPOLO for June 19, 1954, there is a drawing of the Rosenbergs, under which appear the following paragraphs in bold type:

"A year has passed since the assassination of the Rosenberg couple, but in the hearts of humanity their memory is as vivid as it was then, and the resolution to unmask the atrocious lie which caused the death of two innocent people is more concrete than ever.

"The Rosenberg couple, victims of the hysteria encouraged by imperialism and American Fascism, weigh upon the consciences of the ruling class with the formidable weight of the whole working class, of all the oppressed people, of all those who thirst for peace.

"Ethel and Julius Rosenberg, members of the working class, partisans of peace, victims of Fascism, we are present!"

REMOVAL OF MORTON SOBELL FROM ALCATRAZ  
DEMANDED AT ROSENBERG MEMORIAL MEETING

**Philadelphia Gathering Also Urges New Trial**

Philadelphia, June 27th -- The removal of scientist Morton Sobell from Alcatraz and a new Sobell trial were urged last night (Saturday) at a memorial meeting to mark the first anniversary of the execution of Ethel and Julius Rosenberg.

Sobell tried with the Rosenbergs, was sentenced to 30 years and sent to Alcatraz. He vows his complete innocence and is fighting for a new trial.

The gathering end of many held throughout the United States and in countries throughout the world, heard Mrs. Helen Sobell, wife of Morton Sobell.

Mrs. Sobell read excerpts of a letter from her husband.

She quoted him as saying:

"Perhaps the sacrifices that Ethel and Julius Rosenberg made have caused enough people to stop and think to bring back sanity.

Fort Monmouth, the attack on Dr. Oppenheimer, and the Ray-McCarthy

hearings keep re-opening again the questions which were raised at the trial.

"The death of Ethel and Julius Rosenberg a year ago did not answer any questions. By being buried in Alcatraz has not permitted these questions to be swallowed up into oblivion. There are people who love truth and justice and who must have it themselves. They cannot rest when it is denied to others.

"Perhaps we, together with these people, have already made those who put me here regret that they did not murder me too. Neither death nor Alcatraz will keep the truth hidden. I have proved in these last four years that I can never be pressured into giving up my freedom from guilt.

"They would like me to stop saying that I am innocent. I will not stop saying it, not ever. I am innocent."

The memorial gathering also heard a recording of the Book, a dramatic presentation telling the story of the Morton Sobell case.

The Phila. Committee to Secure Justice for Morton Sobell in the Rosenberg Case circulated petitions urging that James W. Bennett, Federal Director of Prisons, remove Sobell from Alcatraz. The committee charged that Sobell had been sent to this prison for the past

and Removal of Sobell from Alcatraz

PHILADELPHIA, June 24 -- A memorial meeting to mark the first anniversary of the execution of the Rosenbergs and demand a new trial for scientist Morton Sobell, co-defendant with the Rosenbergs will be held in Philadelphia Saturday night, June 26th.

The meeting will be at 8.30 p. m. at Barker Hall, 2026 North 32nd Street. It is being held under the auspices of the Phila. Committee to Secure Justice for Morton Sobell in the Rosenberg Case.

Similar meetings were held last week throughout the world. In the United States, there were public Rosenberg-Sobell meetings in San Francisco, Los Angeles, Chicago, Detroit, Cleveland, Baltimore, Newark, N. J., and New York. There were also meetings in Vancouver, British Columbia and Toronto, Canada.

Last Sunday, June 20, some 400 persons gathered for a memorial service at the graves of the Rosenbergs at Bellwood Cemetery, Pinelawn, Long Island.

The Phila. Committee to Secure Justice for Morton Sobell in the Rosenberg Case explained that Alcatraz is customarily used only for the most hardened and dangerous prisoners.

Sobell was sent there, the committee said, after he resisted all other pressure to "confess" to a crime he says he did not commit.

The Phila. memorial meeting Saturday will hear "The Book" a

THUMBNAIL SKETCH

Re SAC letter 54-22

Submitted herewith is an amended thumbnail sketch  
of captioned organization.

JULIUS and ETHEL ROSENBERG and MORTON SOBELL were  
convicted in the USDC, SDNY, on 3/29/51 of conspiracy to commit  
espionage on behalf of the Soviet Union. JULIUS and ETHEL  
ROSENBERG were sentenced to death and MORTON SOBELL was  
sentenced to a term of thirty years.

T-1 and T-2, both of known reliability, advised that  
the National Committee to Secure Justice in the Rosenberg Case  
was formed on 1/2/52. The claim of this committee was that  
the ROSENBERGS were convicted because they were Jews and because  
of their political beliefs. The aim of this committee was to  
secure a new trial or clemency for the ROSENBERGS. The  
ROSENBERGS were executed at Sing Sing Prison, Ossining, NY  
on 6/19/53.

On 10/13/53, T-3, of known reliability, advised that  
a national conference of the committee was held in Chicago  
on October 10 and 11, 1953 and the National Rosenberg -  
Sobell Committee was formed on 10/11/53.

T-4 and T-5, both of known reliability, advised in  
December, 1953 that the committee during December, 1953 took  
the name of the "ational Committee to Secure Justice for  
Morton Sobell in the Rosenberg case.

T-6, of known reliability, advised in February, 1954  
that the account of the committee in the Chase National Bank,  
Times Square Branch, NYC, has continued to use the name  
National Committee to Secure Justice in the Rosenberg Case.

On 5/7/54 T-7, of known reliability, advised that the  
purpose of the committee is to raise money for SOBELL to obtain  
a retrial and to have him removed from Alcatraz to some other  
penitentiary.

Letter to Director, FBI  
NY 100-107111

In June, 1954, T-2 advised that the Communist Party has been taking an extremely active part in assisting the Committee in organizing meetings, selling tickets to affairs and collecting funds.

T-2 further advised that in strong and active CP areas, the CP runs the activities of the Committee. In other areas, the CP has some part in all affairs. T-2 further advised that those members of the committee who are not CP members, are for the most part CP sympathizers.

T-7 advised in June 1954 that the committee was basically well composed of members of the CP and fellow-travellers. T-7 reported that the committee was ineffective until the CP took an active interest in the affairs of the committee and its expansion.

"It is necessary to understand the Mental processes in order to conceive of these processes in terms of its relation to the issue of McCarthyism today. I understand that McCARTHY was a lawyer and jurist. To think of him as illiterate is ridiculous. To dismiss him as part of the lunatic fringe would be suicidal. Only in understanding him can we defeat him. Here is a man who can run the gamut of emotional scale with great ease & dexterity. It is said that to preserve coherency one must dismiss all emotionalism. But in his speech tonight, it was very simple to see the vision of a man trained to spew venom 'in an unemotional way'. Let us take a few of his remarks & examine them. I have no recourse to quotation hence cannot repeat him verbatim. However, he posed a question this way -- 'Since there is a life and death question facing America -- in the form of Communism -- we can determine who seeks the interest of America by examining who the Communists hate and condemn, and who they praise.' He then submits in

MEMO  
NY 100-68683

evidence certain excerpts from the Daily Worker, Political Affairs, etc. condemning him, McCARTHY & commenting favorably upon E.R. MURROW'S T.V. program of Mar. 9. Simple process of deduction. If they like MURROW, hate me, -- I seek America's interest, MURROW is anti-American. He opened his program with a graph in map form showing the growth of Communist territory & influence. In elaborating on that point, he stressed that in many of these 'areas of chained enslavement' the Communist had not had to fire a single shot."

The following books and pamphlets were observed in the debris resulting from the fire in the apartment of the subject:

- A copy of "The Constitution of the Union of Soviet Socialist Republic."
- A copy of "Political Affairs" for May 1951.
- "Here's How We See it Mr. Perkins"

- "The Atlantic Pact For Peace or War" by ABRAHAM CHAPMAN.
- "Tehran, Our Path in War and Peace" by EARL BROWDER.
